First Presbyterian Church in Morristown, TN is seeking a part time music director. The church has a membership of 250 and an average of 85 people in worship services, combined between two services. We are seeking a dynamic and energetic person to guide us in music and encourage worship through music.

Our worship is primarily traditional at both services, but we are open to additional styles. The earlier service is a shorter and less formal service in both liturgy and music. At present, the Sanctuary Choir has 16-18 active members and the Early Ensemble has 4. We would welcome the development of new groups.

First Presbyterian has several instruments that can be used in worship: Steinway grand piano (size A), 1973 Schantz (rebuilt in 2005) pipe organ, Weber upright piano, Roland digital piano, and Roland keyboard. In addition we have Yamaha electronic drum set as well as other percussion instruments.

The music director will

1. Report to and work cooperatively with the Minister to plan music for worship.
2. Hire and supervise the accompanist for both services.
3. Coordinate with the sound technician for second service.
4. Direct the Sanctuary Choir and Early Ensemble in rehearsal and worship.
5. Embrace a variety of music styles to enhance worship.
6. Build rapport with the congregation at large to encourage participation in music ministry.
7. Foster new avenues of music ministry development within the church.
8. Assist as needed with planning of special services for such as Easter, Christmas, Ash Wednesday.
